

Expert Gallery Suite

Leverage Faculty Expertise

How can you ensure that your star faculty members are getting the spotlight they deserve—and that that spotlight extends to their home institution? The Expert Gallery Suite is designed to showcase the expertise of your faculty and enhance the reputation of the law school as a whole.

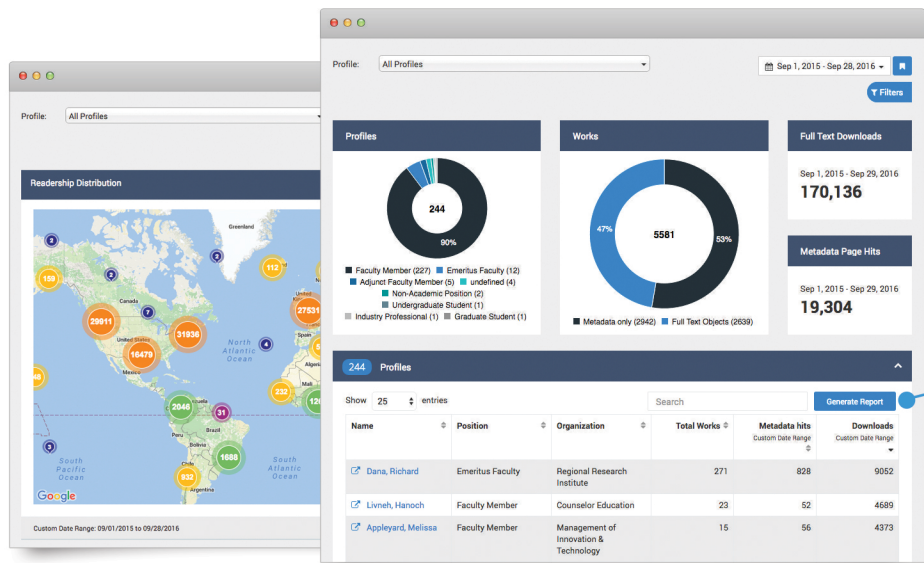

- Organize, manage, and connect faculty to the right contacts and opportunities
- Track faculty productivity and impact
- Reduce strain on IT: fully hosted and supported

Choose which faculty best represent the law school to media and industry partners

Faculty profiles show the full breadth of an expert's achievements, from book contributions and lecture videos to published articles and awards

Separate reporting tools for authors and administration provide detailed, exportable impact analytics—including how specific institutions and companies are accessing research
