

SELECTEDWORKS™

Building a scholarly online presence doesn't have to take hours

Scholars are taking advantage of online platforms to widen their readership, network with others in their field, and get metrics about the impact of their work. Staying up to date with these tools doesn't have to take hours. SelectedWorks lets you partner with your library to build an online scholarly presence that is reputable, sustainable, and complete. And most importantly, it can be done with minutes (not hours) of your time.

Maximize Readership

Scholarship in SelectedWorks ranks high in search results and is easily found by your peers. Simple follow features lets readers know about your newly added content.

Showcase your scholarship

Multimedia files and visual interface encourage readers to explore research. Showcase your areas of expertise with custom categories. Share your scholarly background and accomplishments.

Measure Impact

Interactive author dashboard lets you learn more about your readers. Share metrics for tenure review and promotion committees.

The screenshot displays a web browser window showing the SelectedWorks profile of Shaun R. Harper, Ph.D. at the University of Pennsylvania. The profile includes a header with the Penn logo and a navigation menu. Below the header, there is a bio section with a photo of Dr. Harper and a "Follow" button. The main content area is titled "Selected Works of Shaun R. Harper, Ph.D." and lists several research papers. A search bar is located at the top right of the works section. The works are categorized under "Black and Latino Male Students" (11 items).

Selected Works of Shaun R. Harper, Ph.D.

Dr. Harper is a tenured faculty member in the Graduate School of Education, Africana Studies, and Gender Studies at **University of Pennsylvania**

Shaun R. Harper's research examines race and gender in education and social contexts, equity trends and racial climates on college campuses, Black and Latino male student success in high school and higher education, and college student engagement. He also occasionally writes about intercollegiate athletics. Dr. Harper has published 12 books and more than 90 peer-reviewed journal articles and other academic publications. He has received over \$11.4 million in research grants. [read more →](#)
